TRANSITIONING TO EMPLOYMENT

Transitioning to Employment—an Expo

May 19, 2010

8:30 am—3:45 pm

This one day event will focus on Employment for individuals with varying abilities — what is out there, how to get ready, what services are available and how to network.

The day starts with guest speaker Kirstie Glasgow, Director of Occupational Therapy at Fraser Valley Child Development Centre and ends with Employment Agency exhibitors booths. Come and get a glimpse of the latest information and happenings in the Fraser Valley, including our interactive Disability Confidence Lunch & Learn. We provide lunch while you enjoy fun games like challenging your co-workers to a wheelchair race.

For further information contact Annette Williams via info@focusdisability.ca or 604-820-0855.

Registration forms are available under Upcoming Events at www.focusdisability.ca.
