10:00 - 11:00 am

FOCUS DISABILITY NETWORK  
SOCIETY

Presenter: Dawn Percher  
Registered Clinical Counsellor

## SESSION OBJECTIVES:

- Understand what constitutes trauma and how traumatic events are experienced by people
- Learn the behavioural markers and emotional and physiological experiences of traumatized people
- Learn how to respond appropriately to nuanced trauma responses
- Understand the stages of recovery
- Develop awareness of how one's own trauma history can interfere with working with traumatized clients and the importance of doing your own work.

For service providers of youth ages 18-30  
who have disabilities.
